

Hello! Welcome to my Power BI dashboard!!

This is a dashboard to monitor the expense of two people living in Bath, UK.

In the tab-general Expense, day-to-day spending such as grocery, dinning or laundry would be captured in this tab.
If you click on the bar, you can also right click to drill through to transaction details to find out what transaction constitute to that amount

In the tab - Fixed Expense, long term spending such as Disney+ subscription, Gym Pass or rent would be captured in this tab
